I am pleased to recognize and thank Hiram & Solomon Cigars for their expertise in crafting my personal line of cigars.

This custom creation is appropriately named "Curamus", which translates from the Latin as "We Care" and honors my charge that "We Care" for each other.

To further that end, Hiram & Solomon have also pledged their support by dedicating a portion of the proceeds of every cigar sold to my charities of choice, the White Flower Society and Almoner's Fund for the Scottish Rite of the Northern Masonic Jurisdiction. The White Flower Society was established to ensure financial support for Masonic widows during their urgent times of need. The Almoner's Fund provides financial support for Masons and their families in times of crisis. Supporting these charities exemplify how "we care" for each other.

I kindly ask that you support these deserving charities by reserving a purchase of my "Curamus" cigars. Please help us to show those in need that "We Care".

A handwritten signature in black ink, appearing to read "Robert V. Monacelli".
